

Dear Families,

It's been a wonderful week of growth and flourishing at Watermoor!

Thank you to everyone who was able to attend our Meet the Teacher event. It was a lovely opportunity for our families to come into school and find out what our children will be doing this year. Slides from each class presentation will be shared via ParentMail shortly.

PE Kits:

A reminder that from Monday 18th September, we are asking that children come to school wearing their PE kit. PE kit should consist of a plain white t-shirt, navy or black shorts/leggings/joggers and trainers, with a school jumper on top if it's cold. No football kits or clothing with patterns/slogans please.

Zones of Regulation:

Mrs Smith (HT), Mr Rosser (Year 3 teacher) and Mrs Tanner (Year 6 TA) attended some Zones of Regulation training this week along with other DGAT schools. We implemented this approach last year and it was a great opportunity to reflect upon what we are already doing well and how we might develop it further, at playtimes as well as in class. It is a great tool to **support positive behaviour** by helping children to describe how they are feeling and what they might do to feel better. It can be used at home as well as at school! You could start by watching this short

Parking:

We are incredibly lucky to have a large car park on-site for our families and visitors to use with plenty of disabled parking. There is a loading bay in front of the school building, which is for coaches, deliveries and emergencies only. We kindly ask that parents/carers refrain from parking here and understand when we ask you to relocate to a parking space. Thank you for your cooperation.

Clubs:

Clubs will be starting this week. Some clubs e.g. those without limited numbers have not had forms sent out, children can sign up for these in school. The forms for the sports clubs hosted by Helen Pauling (Kingshill) will be sent out shortly along with information about starting dates etc.
