

Dear Families,

After two years and no less than **four** scheduled events, the British weather finally played ball and we were able to host a lovely afternoon Sports Day for our children and families!

Watching the children show such wonderful courage, determination and resilience throughout, it clear why PE and sport is such vital part of our curriculum and personal development offer.

Looking forward to many more sunny Sports Days to come! Photos to follow.

### Reading Reward

The children are all working hard towards their whole-school reading reward on Friday 19th July. FOW have generously funded and organised bouncy castle inflatables to be on site! Children can wear PE kit on Friday.

To earn their reward, each class needs to read a total of 500 times at home. Some classes are close... others have some catching up to do!

To help your child, please write in their reading record each time they read at home over the weekend and next week. We ask for this to be done at least 3 times per week.

Best wishes for a wonderful weekend.
