FEBRUARY, 2024

THANK YOU!

A huge thank you for all your support in 2023. If it was buying a cake or volunteering at a disco we really appreciate your support. Events really can't go ahead without your help. So if you'd like to be added to our volunteer group or you could help us in any way with discounts or services then please drop us an email with your details.

Watermoors Winter Wonderland and the Christmas wreath making events were a big hit and what a way to end the year.

If you have any ideas on what we can do fundraising wise or have suggestions on what you'd like funds to be used towards, let us know. We recently purchased a new doorbell for the wrap around care.
