

Dear Families,

It was lovely to welcome so many of you into school this week for our Meet the Teacher event!

Our Parents' Survey earlier in the year reaffirmed how important it is to you to know what your child is learning in school and how you can help at home. Therefore, we make sure that we provide you with a range of information and guidance, including:

- \* Meet the Teacher events in which we share key learning, books, trips and events coming up over the year
- \* Termly curriculum grids which give an overview of learning across the curriculum
- \* A [homework policy](#) which sets out what is expected at home and how families can help
- \* Parental workshops including phonics in Reception and multiplication in Y4.
- \* Lots of helpful information on our website, including links to online [home learning](#) platforms, guidance on [phonics and early reading](#) and information about various curriculum subjects
- \* Parents' evenings
- \* End of year reports

If you would like any more information about your child's learning, please do speak to your child's class teacher who will be happy to help.

### Clubs

A reminder that clubs are starting this Monday 23rd September.

### Parents' Evenings

Parents' Evenings 9th and 10th October— appointments go live tonight at 6pm.

### E-safety

The NSPCC have created a new character to help teach children about internet safety. You can meet Technosaurus, learn how to 'play, protect, ask say' and order an activity pack here: <https://www.nspcc.org.uk/keeping-children-safe/support-for-parents/techosaurus/>

### Nits

A regrettably early plea to please check your child's hair for unwelcome visitors over the weekend as we have already had reports of nits in school. Thank you.

### Key Events Next Week:
