

Dear Families,

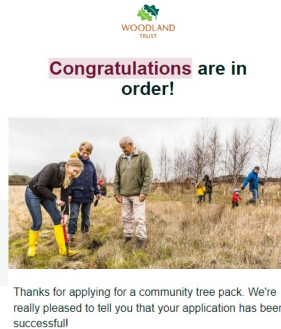

It's been another busy week of learning and growing at Watermoor! Today, the Y6 Phoenixes were excited to share their amazing Viking long ship models with their families and children across the school and present information about some of their features.

**Forest-School:**

We are delighted to reveal that we have been successful in our application for free trees from the Woodland Trust! A delivery of 'hedging' tree saplings will arrive in November in this year, ready to be added to our forest school development.

A reminder that all are welcome to our Forest School working party on **Saturday 16th March**. If you are available and would like to get involved, please sign up via this link: <https://forms.office.com/e/3cyy5dqeel>

**Parents' Evenings**

Parents' evenings will be held on **Tuesday 19th** and **Wednesday 20th March**. Appointments are now available via ParentMail. Please speak to the school office if you are having any difficulty in signing up for slots.

**Headlice**

We regretfully pass on reports of headlice making the rounds. Please check your child's hair this weekend and treat if needed. Headlice and nits can be treated effectively using conditioner and a headlice comb. For more information, please see the NHS website: <https://www.nhs.uk/conditions/head-lice-and-nits/>

**Y6 Fundraising**
