

Dear Families,

The weather certainly took a turn this week; thankfully there was minimal disruption to playtimes and lunchtimes and the children were able to enjoy some time outdoors.

Please continue to send your child into school with a warm winter coat and appropriate shoes. Hats, gloves and scarves should be named.

Singing Lessons

We are exploring demand for peripatetic singing lessons from January. Alice Nelson works locally providing singing lessons for children of all ages. As with guitar and piano, these would be arranged and paid for privately but can take place within the school day. If your child is interested and would be happy to be contacted by Alice to discuss further, please complete this short expression of interest form: <https://forms.office.com/e/qNtsN3ijg3>

Sweet Sale

Next **Friday 29th November is an Inset Day**. The Y6 fundraising team will be selling sweet cones on the playground after school on Thursday 28th November.

Christingle—Save the Date

Our school's Christingle Service will be held at **Holy Trinity Watermoor** on Tuesday 17th December at 10:15am. The service will be led by **Years 1 and 2**; we welcome **all families** to attend if they are able.

E-Safety

With Christmas fast approaching, many children will be looking forward to Father Christmas bringing a new device, such as a tablet, games console or mobile phone. Children's technological skill can be really impressive, but it's important that they have help with the following:

- playing games that are age-appropriate
- setting restrictions on what content they see and who they speak to online
- setting limits on the amount of screen time they have each day
- ensuring they know who to speak to if they come across something that makes them feel sad, scared or confused

Childnet has some useful information for families, along with a 'family agreement' template which can start some supportive conversations at home: <https://www.childnet.com/blog/christmas-2022/>
